Cat(s) _____

By enrolling the above named cat(s), I represent that I am the legal owner of the named cat(s) and I assume all risks, dangers and responsibility to the named cat(s).

I represent that my cat(s) is in good health, and current on all required vaccinations (Feline Rhinotracheitis/Calicivirus/Panleukopenia/Rabies) and has not been ill to my knowledge in the past 30 days.

I understand that while my cat(s) is fully vaccinated that vaccines are not 100% and there is still a risk that my cat(s) may contract a contagious virus/disease during their stay.

Companions recommends that all cats be on Veterinarian Approved flea prevention from the months of April-November, but not limited to these months. I understand that if my cat(s) are found to have a flea infestation they will be taken to a licensed Veterinarian for appropriate treatment at my expense and I will pay a cleaning fee for Companions to have the fleas removed from the environment. If my cat(s) are not on flea prevention I understand there is a risk of fleas.

I allow Companions staff to contact my Veterinarian as deemed necessary to discuss vaccination status or my cat(s) health should any medical issues arise during their stay. Should my cat(s) require medical attention I agree that I am responsible for any medical bills acquired for my own cat(s). Companions will take my cat(s) to my chosen Veterinarian first but if they are not available I agree to allow Companions to take my cat(s) to a licensed Veterinarian of their choice. Companions will pay any necessary medicals bills and will be reimbursed at my expense.

If Companions has any concerns about my cat(s) during their stay and I cannot be reached I understand that my emergency contact will be contacted and has full authority to make any necessary decisions regarding my cat(s) health. If my emergency contact cannot be reached I understand that a Companions staff member will make the necessary medical decisions with the licensed Veterinarian until I can be contacted.

I understand that Companions is not responsible for any personal items left behind that may be damaged by my cat(s)

I understand that if I do not pick my cat(s) up at the scheduled departure time I will be charged late fees accordingly. I agree that if my cat(s) is not picked up within 7 days of their scheduled departure date they are deemed abandoned and Companions has the right to surrender them to Animal Care and Control.

I give permission for Companions to use my cats(s) photos on Facebook, in marketing material or on the Companions website.

I, the Owner, hereby certify that I have read and understand the rules and terms set forth by Companions and release Companions of all liabilities.
